Re: Application by Qwest Communications International, Inc. for Authorization to Provide In-Region, InterLATA Services in the state of Minnesota
WC Docket No. 03-90

Dear Ms. Dortch:

On Monday, April 28, 2003, Richard Rocchini, Mark Schneider, and the undersigned, all representing AT&T, met with Bill Dever, Bob Bentley, Ben Childers, Gail Cohen, Ken Lynch, Christie Shewman, and Jeff Tignor of the Commission's Staff. Participating by telephone were John Finnegan, Bob Hayes, Steve Weigler, Gary Witt, and Ken Wilson, also on behalf of AT&T.

During the meeting AT&T reiterated that Qwest's "secret deals" misconduct violates core nondiscrimination requirements of the competitive checklist and precludes any finding that granting Qwest's application is in the public interest. AT&T also explained that the record in Minnesota is distinguishable from the record in other states in Qwest's region in the depth and breadth of the Minnesota PUC's investigation, the state commission's conclusions about the extent and effect of Qwest's violations, and the sanctions it has imposed. In addition to unfiled agreements, we also discussed billing completion notices, wholesale billing, and DUF accuracy.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink that reads "Amy L. Alvarez".
